# FOREWORD

---

HERE is no herd of which I know, that is composed of cows that are uniformly wider, deeper, lower set, thicker and better headed than the cows that make up Geishecker Bros.' herd. Every one seems to have been cast in the same mold. The pictures in this catalog show twenty-five such females of varying ages. Almost an equal number of others in the herd might have been photographed with the same result.

Geishecker Bros.' herd was started with the purchase of a dozen of the best cows from the noted herd of Miller Bros., Britt, Iowa. Never was an animal added to this herd because she was cheap. Were the cost high or low, only such as could be depended upon to keep up the high quality and correct type of the herd ever was purchased. It was well known, in the Shorthorn industry when the herd was being assembled, that when Geisheckers bought at a sale, they would select only the best.

That policy enabled them to build a herd of Shorthorns second to none in type, breed character and fleshing qualities and that is the herd from which you will have an opportunity to make purchases on May 28th.

The first bull that was used to head this herd was **Masterstroke 1198475**, a noted show bull that won many championships. He was deep and compact and he left a grand lot of breeding cows in the herd. Masterstroke was followed by **Haylands Dreadnaught 1337723**, a son of the famous Cudham Dreadnaught (Imp.) that won his class at most of the important shows as a calf and a yearling. He imparted style and balance to the herd without detracting from the width, depth and thickness of the cows.

Following Haylands Dreadnaught, **Browndale Hero 1580518**, by the great Browndale Count, came into the herd. These two bulls were used together, each one being mated to the daughters of the other. The results of these crossings have been phenominally favorable. They have put this herd in the top rank among producers of the best and most modern type of Shorthorn. Browndale Hero is apparently as active as ever at nine years of age. He will be sold and some breeder will use him for a few years and make a fortune from his use.

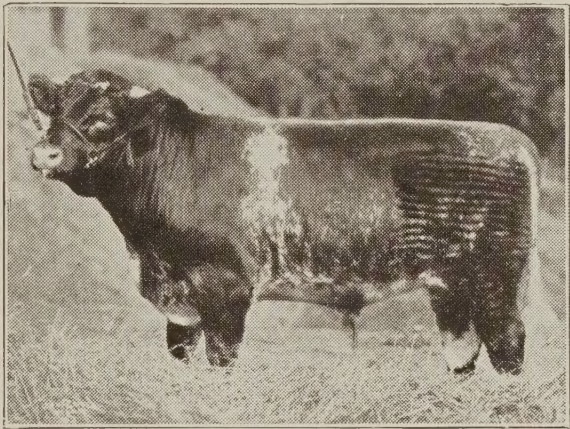

The junior herd bull is **Dreadnaught Hero 1857158**. He is the best bull that ever was on the Geishecker farms and his calves indicate that he will prove to be the best sire. He was sired by Haylands Dreadnaught and his dam was sired by Browndale Hero. There is no better cross than this and the entire herd presents many opportunities to secure it. Buy these Browndale-Dreadnaughts. They are backed by the most attractive breeding all down the pedigrees. You cannot buy better breeding cattle anywhere.

Will Johnson of The Shorthorn World.

We have no mature picture of this great bull, Haylands Dreadnaught, but his many excellent sons and daughters attest his worth as a sire. When this picture was taken he was winning everywhere as a yearling as he had done when a calf. The purchase of a son or a daughter of this great bull is a sure step in the direction of successful Shorthorn breeding.

Browndale Hero 1580518

This picture of Browndale Hero was taken at the International Stock Show just after he had won the Casares Trophy as the best calf of the show. This great sire appears young today and he has years of usefulness still ahead. He will make a fortune for the man who will buy him. Study his progeny in this sale and you will agree that he presents a great opportunity for some breeder to improve his herd. He has many daughters in this sale. Victoria 15th 1441683—We topped Bellows Bros.' sale to get this grand cow, paying \$650.00 for her as a two year-old. She has bred regularly ever since and her calves justify a much higher price than we paid. E. F. McCarthy & Son of Minnesota used one of her sons and they say he was the best bull they ever owned. She sells with a dark red heifer calf at foot, dropped August 17, 1937, sired by Browndale Hero, and she was rebred to Browndale Hero and will calve again in July.

All of her family in our herd have been outstanding good ones but none of them were better prospects than is she. **HAYLANDS DREADNAUGHT 1337723**

A winner of first prize in America's strongest shows as a calf and yearling, he is now noted as a sire of winners. His sire was the famous Cudham Dreadnaught (Imp.), and his dam the many times champion Haylands Dorothy.

Henry Geishecker, Livermore, Iowa, demonstrates that cows with real Shorthorn character beget calves with quality and style. Left, Rosewood Lassie and roan bull calf Lot 26. Right, Lustre Queen A. and roan heifer calf Lot 50. The two cows are daughters of Browndale Hero and the two calves are by Dreadnaught Hero.
